

DONATIONS

ARK Advocates accepts tax-deductible donations of cash and equipment. Adaptive equipment is very expensive. Cash donations will be used to purchase additional adaptive equipment that is in high demand. In addition, donations of new or gently used adaptive equipment will be accepted. Many times a child or adult outgrows or are no longer in need of the equipment. The equipment could benefit someone else in the community through the Lending Library.

MEMBERSHIPS

ARK Advocates Board of Directors invite you to become a member. For over 50 years, members have made a difference in ARK Advocates ability to fund and support persons with disabilities in our Dubuque area. Members will receive our newsletters. Memberships help fund our services including, but not limited to, financial assistance, respite events and the lending library. For a full list of member benefits and applications, please visit our website, www.arkadvocates.org

OUR COMMUNITY NEEDS YOU!

WHO WE ARE

ARK ADVOCATES stands for **Advocacy, Respect, and Knowledge**. ARK Advocates is a non-profit volunteer organization that has supported people with special needs in our community since the 1950's. ARK Advocates is a group of concerned adults and parents advocating with and for the needs of persons with disabilities.

WHAT WE DO

ARK Advocates mission *is to advocate and serve persons with disabilities in choosing where and how they learn, live, work, play and pray; in partnership with families and the community.*

We raise money to directly service individuals with special needs including such things as financial assistance, respite events, advocacy letters, adaptive equipment lending library, resources and community awareness events.

The newly established Adaptive Equipment Lending Library provides individuals with special needs and their families' limitless opportunities for participation in home and community activities.

ARK Advocates has adaptive equipment available for "check out" by individuals with special needs and their families. In addition, individuals with temporary or unexpected needs as a result of an accident, surgery or illness are also welcome to access our library. ARK plans to add to the inventory of equipment through future purchases and donations.

The library allows access to a variety of equipment in the areas of mobility, communication, sensory and daily living. For a complete inventory of equipment, please visit our website at www.arkadvocates.org
